Goethals Memorial School

Kurseong, Darjeeling District, West Bengal - 734 203

Date: 14/07/2025

Dear Parents,

The official mobile application for Goethals Memorial School is the *eCare App*. In alignment with the digital age and our commitment to reducing paper usage, all circulars and notices will be communicated exclusively via the *eCare App*.

We kindly request all parents to login to their *eCare App* account on a mandatory basis to stay updated on school notices, fee payments, and other important information.

It has come to our attention that a few parents have not yet activated or logged into their *eCare App* accounts, which appear to be inactive on our server. We urge these parents to activate their accounts at the earliest convenience to ensure smooth and effective communication.

Thank you for your cooperation.

Sincerely,

[Br. Miles Allams]

Principal
